

Homepage Error: Missing Form Label

a form label does not have a corresponding label

Where the error appears on the site (top-right corner in Search Box)

Code that generates the error:

```
<div id="header_search">
  <div id="ctl00_pnlSearch" onkeypress="javascript:return WebForm_FireDefaultButton(event, 'ctl00_btnSearch')">
    <input name="ctl00$txtsearch" type="text" id="txtsearch" class="header_nv_search_box">
    <input type="submit" name="ctl00$btnSearch" value="" id="ctl00_btnSearch" class="header_nv_search_button">
  </div>
  ...
</div>
```

Recommended Solution: add the labels highlighted in yellow below to the template

```
<div id="header_search"><asp:Panel runat="server" ID="pnlSearch"
DefaultButton="btnSearch"><asp:TextBox ID="txtsearch" CssClass="header_nv_search_box"
title="Search" placeholder="Search" runat="server" ClientIDMode="Static">
</asp:TextBox><asp:Button ID="btnSearch" runat="server" Text=""
CssClass="header_nv_search_button" /></asp:Panel></div>
```

Template Changed: *Layouts/Master/nevada.master*
