

Testing criteria #3: Various types of links (Word, PDF)

- Page contains two paragraphs, 6 links at bottom
 - Link 1 – excel document
 - Can you open the document
 - Can you traverse it?
 - Links 3, 5, 6 – link to PDF
 - Can you open the documents?
 - Can you traverse them?

Test page/Link:

The screenshot shows the website for the Nevada Department of Administration's Human Resource Management division. The header includes the NV.gov logo, navigation links for Agencies, Jobs, and About Nevada, and a search bar. The main navigation menu includes Home, About, Sections, Services, Careers, Resources, Training, Boards/Commissions, and Contact Us. The 'About' section is active, displaying a sidebar with links to Mission and Vision, Schedule of Fees, State Holidays, Organizational Chart, HRM Listserv Email Subscription Management, and Public Information Requests and Fee Schedule. The main content area features a play button icon and the heading 'ABOUT'. A paragraph describes the division's role under Chapter 284 of the Nevada Revised Statutes and the Nevada Administrative Code. Below the paragraph is a list of links for more information: Human Resource Management Phone List (xls), Mission and Vision, Organization Chart (pdf), Public Information Requests and Fee Schedule, Schedule of Fees (pdf), and State Holidays (pdf).

JAWS Evaluation:

- Everything opened fine
- Human Resource Management Phone list (xls)
 - Needs to add AREA Codes
- Organization Chart (pdf)
 - # on top are meaningless
 - In some places in the document the text reads as if there are no spaces. For instance, it reads like this, "himynameisbrettsilver lworkforthestateofNevada."

Possible Resolution:

- Area codes should always be included

Decide if Organization charts in this format should be included
