

# How to Caption a YouTube Video

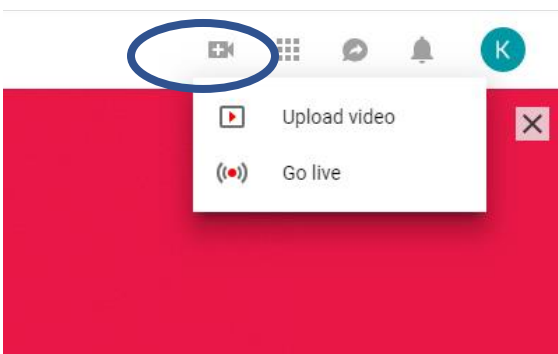

## 1. Sign in to YouTube account:

If you do not have a YouTube Sign in, you will need to create a google account to do this....

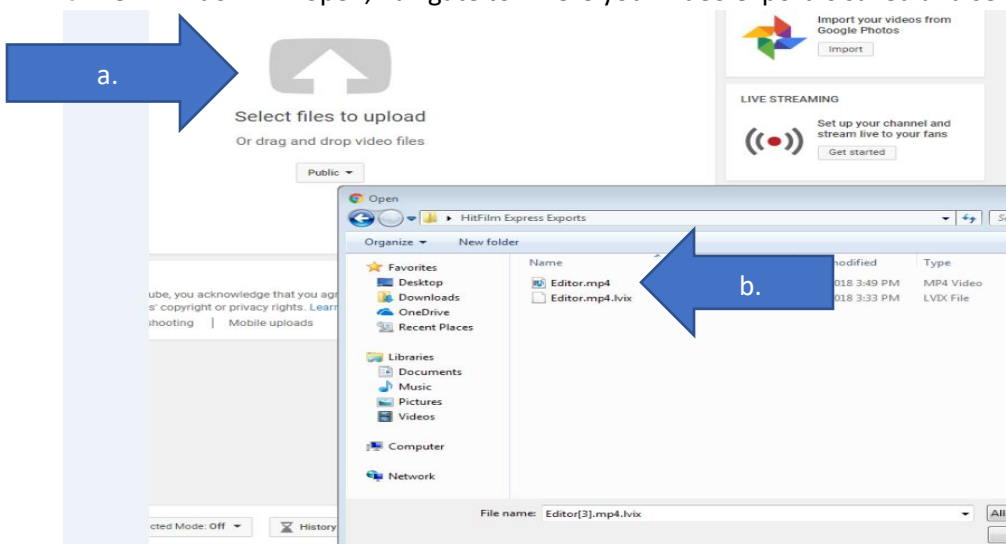

## 2. Upload video:

- Click on camera with plus sign in upper right-hand corner.
- Next click on Upload Video

## 3. Upload video file from saved file:

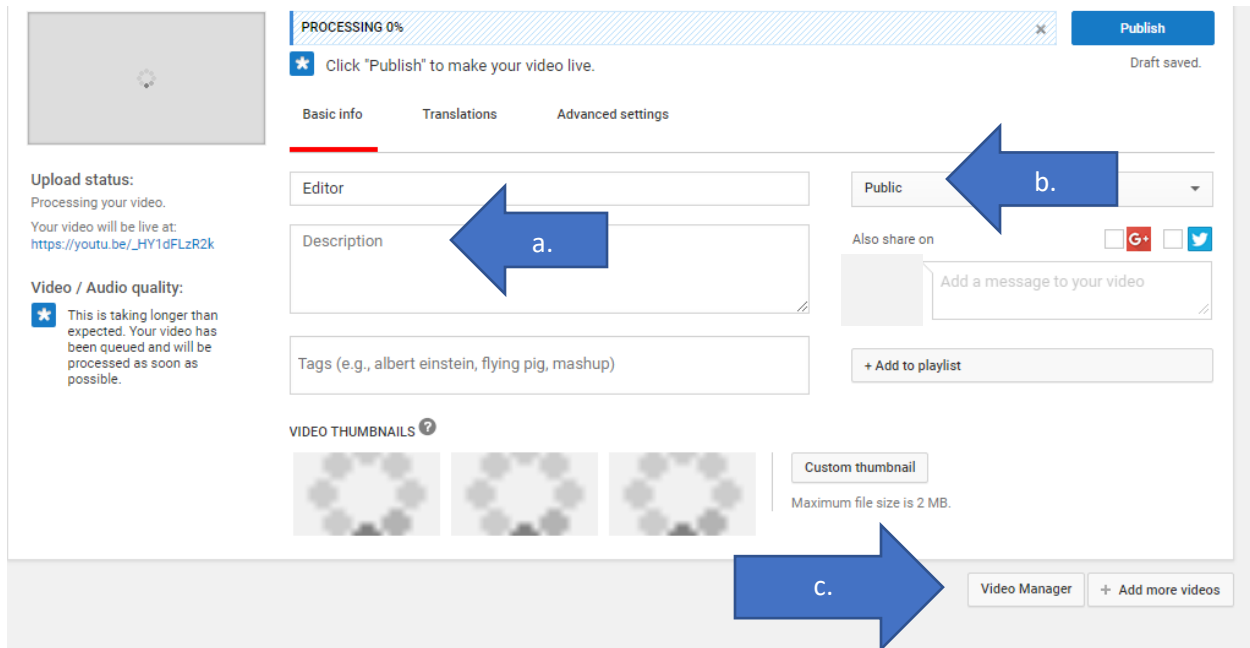

- Click "Select files to upload"
- New window will open, navigate to where your video export is saved and select. Double click.

#### 4. Complete Upload.

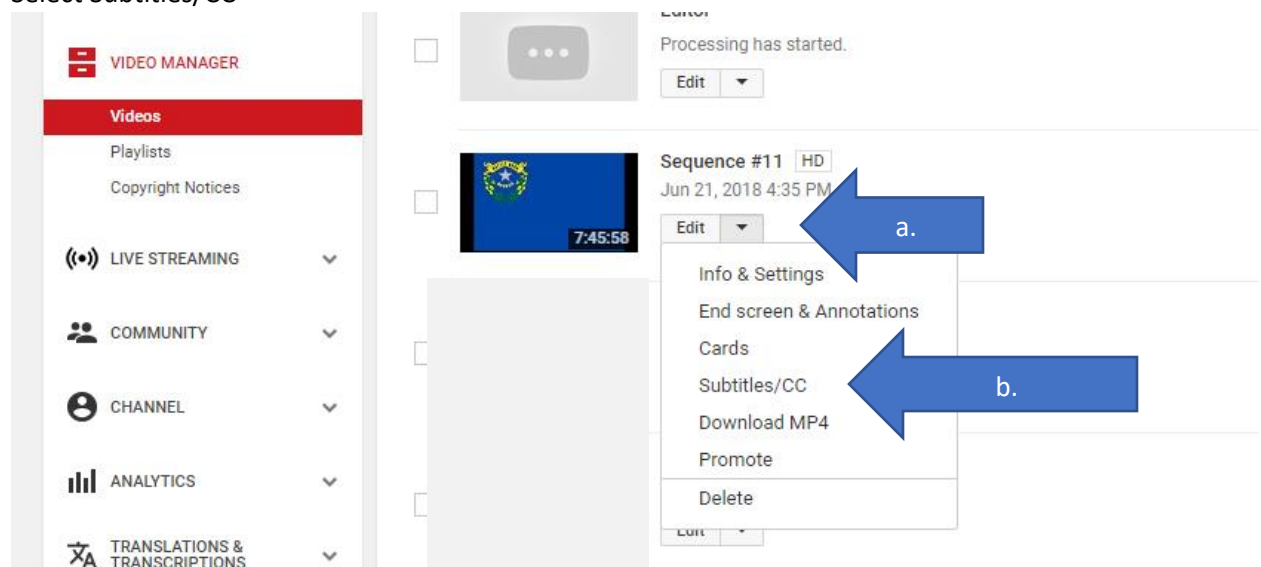

While video is processing:

- a. Enter description of audio/video file.
- b. Select Public.
- c. When video processing is done:  
(this may take a while, depending on length of video).  
Click "Video Manager"

#### 5. Manage Video for Captioning

- a. Click on edit down arrow
- b. Select Subtitles/CC

If Subtitles/CC is not an option, you may need to wait 24 hours and check again.

## 6. Manage subtitles and Closed Captions

- Click "Add new subtitles or CC"
- Select English language
- Select Transcribe and auto-sync
